

## **Health & Safety Policy Statement**

### **The Health & Safety at Work (General) (Guernsey) Ordinance 1987**

#### **It is the Guernsey Walking Football LBG (GWF) policy to:**

- \*Provide reasonable control of the healthy and safety risks arising from our working activities.
- \*Undertake recorded risk assessments of all activities provided by GWF volunteers.
- \*Create a safe environment by putting health and safety measures in place as identified by risk assessments.
- \*Provide access to adequate first aid equipment, telephone and qualified first aider at all times.
- \*Record any injuries or accidents sustained during any GWF activity and take appropriate action.
- \*Provide and maintain safe equipment and environmental conditions.
- \*Provide information, instruction and supervision for members.\*Ensure safe handling and safe use of equipment.
- \*Deliver training to all volunteers.
- \*Maintain safe and healthy working conditions.
- \*Review and republish this policy statement annually.
- \*Ensure that all members are aware of, understand and follow the GWF Health and Safety policy.

#### **All staff and volunteers must co-operate by:**

- \*Taking reasonable care for their own and others' health and safety.
- \*Not misusing or interfering with anything provided in the interest of health and safety.
- \*Using equipment and materials in accordance with their training.
- \*Reporting any hazards in the workplace or shortcoming in the protection for members
