

Health & Safety Policy Statement

The Health & Safety at Work (General) (Guernsey) Ordinance 1987

It is the Guernsey Walking Football's policy to:

- Provide reasonable control of exposure to the health and safety risks arising from our activities.
- Undertake recorded risk assessments of all activities provided by Guernsey Walking Football volunteers.
- Create a safe environment by putting health and safety measures in place as identified by the risk assessments.
- Provide access to adequate first aid equipment, telephone and qualified first aider at all times.
- Record any reported injuries or accidents sustained during any Guernsey Walking Football activity and take appropriate action.
- Provide and maintain safe equipment and environmental conditions.
- Consult with our volunteers on matters affecting their health & safety.
- Ensure safe handling and safe use of equipment.
- Deliver training to all volunteers when necessary
- Prevent accidents and cases of work-related ill health.
- Maintain safe and healthy working conditions.
- Take practicable measures to ensure any premises it controls are safe and without risks to health.
- Ensure that all members are aware of, understand and follow the Guernsey Walking Football Health and Safety policy.

All volunteers must co-operate by:

- Taking reasonable care for their own and others' health and safety.
- Not misusing or interfering with anything provided in the interest of health and safety.
- Using equipment and materials in accordance with their training.
- Reporting any hazards in the workplace or shortcoming in the protection for volunteers
